

# 13th conference Firenze 2008

The 2008 conference was held in Florence, Italy and dedicated to the memory of the late Piero Moroni I5TDJ.

This conference was hosted by Piero, **I5CTE** and his organization consisting of I5WBE, IZ5DIY, I5XFD, IK5NFD, IK5WJD, I5KRD, I5SXN, IK5BZH, IZ5AJO, HB9BBD, IW4DB and I1ANP. The conference set a new record for attendance with 168 EMEers and 85 guests for a total of 253. Everyone seemed to have a great time and thought the conference was excellent: location, facilities, technical sessions, refreshments, banquet, and tours. The tour of the Marconi home was a special delight.
